------	-------------------------

Case Summary:

Report concerning a support person for a broken trolley.

Procedural Matters:

1. The report did not identify the support person against whom it was made.
2. Without the support person having been identified, it was not possible to identify the competitors supported by this support person.
3. In the absence of the identification of the support person against whom the report had been made, and the competitors supported by this support person, the international jury was not able to call a hearing against the support person, in accordance with RRS 63.3 (d).

Facts Found:

Conclusion & Rules:

Decision:

Hearing against support person is not called.

Short Decision:

Hearing against support person not called.
