The plan for ribs removal and loading the trailers on 25th June 2025 is as follows:

1. There will be two cranes for the ribs located in Fishermen Port.
2. To get there after taking your trailer from Zamkowa or 10ego Lutego Street you have to follow arrows as on the map below:

3. When you remove the rib from the water please follow the way to grass behind the stage where you can use the area to load the boats on the trailers or go to OLD Marina if you have boats there.
4. Please leave packed trailers in OLD Marina. Cars has to be parked on designated parking on 1 Maja Street.
5. If you want to take your trailer from OLD Marina between 2100 and 0700 please leave your car plates numbers in the race office. We have to enter them to the system for the gate to open automatically.
