

2025 ILCA 4 Youth European Championships & Open European Trophy

NOTICE

Date			Time		Number
17	06	2025	17	00	2

From

Organising Authority

As outlined in SI 5.8 the “take the first available trolley” rule will apply during the entire event.

The aim is to make landing as efficient as possible and to reduce the dangers resulting from crowding at the ramps.

The trolleys will be carefully checked during the measurements to ensure safe and convenient use of third-party trolleys:

- whether they have securely fastened protectors and
- whether they have properly secured wheel pins.

The checked trolley will be marked with the sail number with a waterproof marker and the good technical condition of the trolley will be confirmed by the measurer's stamp on the entry form.

On the last day of the event the trolleys will be returned to the owners.

Thank you for your understanding and cooperation.
